

Action for
Children

Nothing
about me,
without **me**

Are you aged 13-25, living in the UK and want to
make a difference to children and young people?

Join the

Young Ambassadors Board

It's free to join, with
online and in-person
meet-ups and great events.

Share your views
and ideas on things
that matter to you.

Have fun, learn
new skills and make
change happen.

We work in four main areas: family support, children in care,
disabled children and mental health and wellbeing. And we're
keen to receive some applications from people with experience
or knowledge of these.

Apply by completing a short form at actionforchildren.uk/youthvoice
Or email youthvoice@actionforchildren.org.uk to find out more.
